LOUISVILLE, July 3 .- River on a stand with 42 feet in canal. Weather dry and ST. Louis, July 3,-River stationary

Weather was very hot yesterday, and to improvement in business. It was onsidered the hottest day of the season. A light shower occurred late in the afternoon and refreshed the parched earth, but is still at good boating stage to St. Louis, though above that point it is get-ting low and troublesome. It fell only in the Upper Arkansas, but thirty inches about the depth below Little Rock. White river is falling slowly, with six feet below Augusta, and not yet cutting

This route offers superior inducements to the visitors of the The Celeste left with some freight and a fair list of passengers, including Rulus Walt, Esq., and family. Capt. James Tschudi, late of the Memohis Packet Line, now runs the Clifton Hot Springs of Arkansas.

House in Stoar City, and is entirely restored in health.

The disaster to the Sam. Gaty occurred at the point just above Arrow Rock, and was occasioned by the upsetting of a lamp. The Gaty was a sidewheel steamer, built at Louisville in the spring of 1860, by Capt. John Baldwin, and during her career was always considered a money making boat. At the time of her loss she was owned by Fred Dozier and Ben Johnson, they having bought her from the St. Louis and Peoria Packet her from the St. Louis and Peoria Packet mail to Springs staking staterooms at Memphis make no change mild they arrive at the wharf in Littie Rock. Arrangements have been made to have coaches in readiness to start for Hot Springs with passengers taking staterooms at Memphis make no change and the particle to have cauches to have Company during the past spring.
